Frame title

| <- this is the textwidth -> |

Note that the text is not black but gray in the frames!

Also although the basic font size is 9pt but the text is set \large by default.

Let's see a list:

- ▶ This is an item
- ▶ This is another item
 - ▶ This is a subitem

Display some math:

$$\mathcal{R} \left\{ \frac{1}{2\pi} \int_0^\infty 2F(\omega) e^{i\omega t} d\omega \right\}$$

Finally let's enumerate:

1. One
2. Two
 - 2.1 Two point one

Tables and blocks

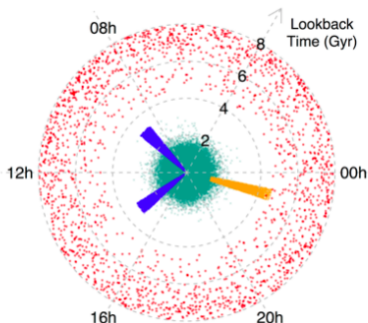

Default table captions are same as
images → see next slide

HJD	<i>E</i>	Method#2	Method#3
1	50	−837	970
2	47	877	230
3	31	25	415
4	35	144	2356
5	45	300	556

Block box

This an example block box.
Non rounded and uses this
color setup. The coloring of
exampleblock and alertblock is
not setup, thus to use them one
have to customize the template.

Please do not use too long frame titles as it ruins the titlebar

DINGO-Deep:

- 5x500h fields
- $0 < z < 0.26$

DINGO-Ultradeep:

- 2x2500h fields
- $0.1 < z < 0.43$

WALLABY DINGO-Deep DINGO-UDeep FLASH

Caption of the image is normalsize, balck and no figurenumbering shown by default
